

Professional Profile

I have overseen and operated all aspects of television and radio throughout my internship and college career. I excelled as a reporter for both television and newspaper writing many articles, commercials, and PSA's.

- Great attitude and drive.
- High level of initiative.
- Outstanding communication skills.
- Quick learner.
- Very personable and outgoing.
- Ability to run all master control operations.
- Effective investigator and problem solver.
- Ability to report hard or entertainment news.
- Work well independently or in groups.
- Talented writer (scripts, promos, and commercials.)

Professional Experience

Sycamore Beat, Terre Haute, IN Reporter

Responsibilities:

- Write and produce news packages as well as anchor and report hard news.
- Run master control operations and edit packages.

FOX 59 WXIN, Indianapolis, IN Broadcast Intern

Responsibilities:

- Organize live shots, segments and guests.
- Assist in writing and producing.
- Communicate objective between reporter, photographer, master control, and interviewee.

WISU Radio, Terre Haute, IN
Director of Public Affairs

Achievements:

- Began as a volunteer reading the daily news and weather while learning about board operations. Eventually landed a job as a board operator and host of the Jazz and Blues show. Working as hard as possible writing and producing extra assignments, I finally worked my way up to Director of Public Affairs.

Responsibilities:

- Interact with the community and university.
- Write and produce a weekly talk exchange.

Education

Indiana State University, Terre Haute, IN
B.S. Radio/TV/Film and Journalism
1997 - 2001
